

October 24, 2011

Dear USOC Paralympic Military Grant Participant,

The 2012 ski and snowboard season is coming up quickly! We look forward to you joining us on the slopes again this year. This letter and the accompanying documents will provide you with information needed to register for the season.

This season Ignite offers lessons every Thursday, Friday, Saturday, and Sunday beginning Friday December 30, 2011 through Sunday March 25, 2012. We will give priority to Veterans on Thursdays, however we may have students other than vets.

Each lesson includes a lift ticket or trail pass, equipment if needed, and a private or semi-private lesson from a trained volunteer instructor. Lunch is not provided or available at our facility. Full day students are encouraged to bring lunch and stay at the Ignite facility during this hour. Refrigerators and microwaves are available.

It is the student's responsibility to come properly clothed for outdoor winter activities. Please note that for safety of both our students and instructors, sit skiers (bi/mono) participants must weigh less than 200 pounds. Stand up participants cannot exceed 250 pounds.

Student information and lesson requests are completed online. Please use the same account and log-in which you used last year.

Our rate structure has not changed this year. All participants, including Veterans, will pay the \$40 annual registration fee. Lessons for Veterans are at no cost other than the annual registration fee.

We are now able to accept Credit Cards, VISA and MasterCard, so you can make your payment on-line if you wish.

Once you have registered please mail the Scheduler the following items:

- Printed Invoice & Full Payment if not paid on-line **OR** Credit Card Payment Receipt
- DSUSA Waiver & Liability Release/Media Release
- Equipment Waiver (even if you have your own equipment)

Send the information to: Ignite Adaptive Sports Scheduler, PO Box 1034, Lafayette, CO 80026.

A confirmation of your schedule will be emailed to you. Last year our available lesson spots filled very quickly, so please complete the online application and provide payment as soon as possible.

If you have any questions about our program or any of the information contained in this letter, visit our website, email Jacque at scheduler@igniteadaptivesports.org or call her at 720-341-8233.

From all of us at Ignite Adaptive Sports, we look forward to providing you with a snow sport season full of safety, fun and learning!

Ignite your Spirit!!

David Schadle
Ignite Adaptive Sports Veterans Director
